HNI CROWDFUNDING TRAINING PROGRAMME

HNI is hosting a 10 week online practical training on crowdfunding for its affiliates in Africa, South Asia and SouthEast Asia. The participants will launch their first crowdfunding campaign and will learn topics useful beyond crowdfunding: storytelling, taking good-quality photos and social media for fundraising.

The course is organised by HNI in partnership with WIEGO and will be delivered by Mr. Marco Kuntze from [Relishing Digital](#), an experienced digital fundraiser.
